Happy Friday everyone!! It's Rainie Lin from 731 and back with you all for SEAL SUMMARY FRIDAY! We're wrapping up this week and afterschool clubs start next week! Now, time for this Friday's fun fact! Today is National Dessert Day, another silly excuse just to fill your mouth with sweets and treats to satisfy your sweet tooth.

On National Dessert Day, you can bake or prepare desserts with your family and friends. You can eat as many desserts as you wish, and no one can tell you to do otherwise! From a variety of pastries, cakes to chocolates and pies; there is a treat for everyone. What's your favorite?

Did you know the word dessert comes from "desservir," a French word that means "to clear the table." This, of course meant the dish that came after the main dishes, served as part of the meal. If you search on the internet, you can find some interesting facts about desserts and the most popular ones. Like tiramisu, which is the world's most famous Italian dessert. What about egg tarts? Research unique cultures and try new desserts today!

Before I leave, let me again remind everyone that today is the Bake Sale. What a fitting celebration for National Dessert Day! So, go ahead and indulge in the baked delights. Jewelry will also be sold at the event. Additionally, every penny raised will be used to buy a food truck for our inclusive field day. So, let's support AVID and their Bake Sale!!!!

Have a Full-Flavored Friday!
