Good morning, I.S. 201! I'm Celine from 814, and I'm here on behalf of the S.E.A.L. Team for this Talk A lot Tuesday.

Did you know that today is National Entrepreneurs Day? It's a day to honor the incredible people who have built empires from absolutely nothing. Visionaries like Bill Gates, Steve Jobs, and Jeff Bezos all started with ideas and took bold risks, pushing boundaries to pioneer new solutions that transformed entire industries.

Entrepreneur's Day was established thanks to Siamak Taghaddos, an entrepreneur who started a petition to recognize the value and contributions of entrepreneurs nationwide. In response, President Obama proclaimed the third Tuesday in November as National Entrepreneurs Day, a time to celebrate innovation and determination.

As Steve Jobs once said, "Innovation distinguishes between a leader and a follower." Let's embrace the entrepreneurial spirit today by thinking big, taking risks, and turning challenges into opportunities.

Thanks for listening and have a Trailblazing Tuesday 😊
