Good Morning Dyker! My name is Rainie Lin, of class 731, and I will be speaking to you every Friday on behalf of the SEAL team for Seal Summaries!

Before I begin, I would like to ask all the homeroom teachers to distribute the Pocket Pledges that were placed in your mailboxes to your classes. We will be using them at the end of the summary.

And now, I hope everyone has had a happy 2nd week. Take this weekend to organize and gather all of your supplies to prepare yourself for a successful academic year. Also, spend time with your family and don't forget your parents! Today is actually a holiday celebrating your parents who work so hard. September 16 is National Working Parent's Day. It honors and celebrates parents that work outside of their homes to provide for their families and to feed them. SO if you have a parent that works outside of home, be sure to thank them for all their hard work and appreciate them when you get home.

Thanks for listening and at this time please take out your Pocket Pledge and recite it with me.

We are the Dyker S.E.A.L. Team  
Positivity is our dream  
We teach it every day  
To help others live the optimistic way  
We learn to control our emotions and feelings  
So we always have effective social dealings  
No stone left unturned, no person left behind  
Every member of our team has the power to be kind  
We spread kindness to our friends, families, and those who need a smile  
When facing hardships and adversity, the S.E.A.L. Team goes the extra mile!  
And that's it from me. Have a Fabulous Friday!
