

October 31, 2025

Good morning I.S.201! This is Grace Zhang from class 832, here with you on behalf of the S.E.A.L. Team.

Halloween, celebrated each year on October 31st, is a holiday filled with spooky fun and creativity. It all started a long time ago when people believed that ghosts could cross over into the world of the living. Over time, it turned into the holiday we know today, filled with costumes, candy, and decorations. On Halloween night, kids go trick-or-treating, people carve pumpkins into jack-o'-lanterns, and neighborhoods hang up glowing lights.

But Halloween isn't just about getting candy; it's also about being creative and having fun with friends and family. People love dressing up as their favorite characters, watching scary movies, and visiting haunted houses for a good scare. This makes it a time for everyone to come together and celebrate. It's a day when you can be anyone you want, whether it's a superhero, a ghost, or a monster. Either way, you can just enjoy this exciting festival without any worries.

The affirmation of the day is, "Lead by example, just like Eleanor Roosevelt"

Thanks for listening and have a Frightful Friday 😊
