Good morning! It's Micah from 731 and I'm here this Thoughtful Thursday on behalf of the S.E.A.L Team.

A refugee is someone who is forced out of their homes due to war, persecution, or natural disaster. These individuals leave everything behind to benefit themselves and their families. Today, we honor the perseverance and strength of refugees who strive to create a better life for themselves and their loved ones.

Let's take this day to remind ourselves to have empathy, awareness, and gratitude. Let's recognize the hardships that others endure to persevere in life.

Thanks for listening and have a Think of Others Thursday.
