

March 11, 2026

Good Morning, I.S.201! This is Esther of class 852 speaking to you for today's Words of Wisdom on behalf of the S.E.A.L Team!

Today is March 11th, also known as 3/11.

Did you know that 3-1-1 is also the number people can call in New York City to get help with everyday city services? If there's a problem like a broken streetlight, a noise complaint, or a question about city programs, 311 connects people with help and information to make our communities better.

Just like 311 helps people solve problems, we can also help make our school a better place. If you see someone who needs help today, lend a hand, offer kindness, or speak up for what's right.

Like Albert Einstein, the affirmation of the day is, "I am not afraid to think outside the box."

Thanks for listening and have a Way to Help Wednesday 😊
