Good morning I.S 201! It's Joanna from class 851 and I will be with you for our S.E.A.L Summaries every Friday on behalf of the S.E.A.L Team.

It is now already the last day of May and there's a whole whopping 14 days left of this school year. To say the least, time really FLEW by and it did so real fast. As the last day of school draws near, it's a bittersweet moment for all of us.

Although some of us may be leaving I.S 201 behind when we leave school on June 26th, it will never truly be erased from their hearts. The memories that we've made and the experiences that we've had are truly one of a kind, shared by our dearest members of the I.S. 201 family. Let us all cherish the last couple moments of the school year when we can. As the quote goes, "The best things in life are the people we love, the places we've been, and the memories we've made along the way."

As June is also one of the busiest months of the scholar year, let's strive to keep up the good work and end the year on good terms.

Thank you for listening and have a Fond Memories Friday!

The affirmation of the day is: "I will support my friends during difficult times."
