Good morning! I'm Katie from class 831, and I'm speaking on behalf of the S.E.A.L. Team for this Thoughtful Thursday.

Today, let's focus on what we've achieved and also celebrate what others have done. Instead of feeling jealous or envious, we can support each other and grow as a community. We can learn from one another and avoid conflicts by asking for help when we need it. By doing this, we can achieve our goals, too.

Let's remember that building a strong and positive community is important. When we block out negative feelings like jealousy and work together, we make better connections and help each other succeed. We're all part of the same team, and together we can make new friends and accomplish more.

Thanks for listening and have a Teamwork Thursday!
