Good Morning IS 201! My name is Emily from class 851, and I'm here on behalf of the SEAL Team for this Thoughtful Thursday.

Today, let's take a moment to appreciate the special bond we share with our pets. Whether you have a dog, a cat, or any other pet, you know how comforting and loyal they can be. Dogs, especially, become more than just animals, they become family. They're always there to greet us with excitement, stay by our side when we're sad, and remind us of what true loyalty looks like.

Pets teach us important life lessons, how to care for others, how to be patient, and how to enjoy the little things. They don't care what we look like or what mood we're in, they love us no matter what. So today, give your pet a little extra love, or just take a moment to be thankful for the joy animals bring into our lives. They remind us how good it feels to be loved and to give love in return.

Thanks for listening and have a Tail-Wagging Thursday 😊
