Good Morning I.S.201! My name is Esther Chen from class 752, and I am here for the Words of Wisdom Wednesday on behalf of the S.E.A.L team.

Today is Snowflake Appreciation Day! This holiday is used to show appreciation for snowflakes, which are loved by many. Snowflakes are unique because no two are exactly alike, just like humans. Snowflakes all appear different, just like they don't all look exactly the same. When we celebrate snowflakes, we are reminded to appreciate our own individuality. Different shapes and sizes represent our diversity and our special personality.

Snowflakes also remind us of the beauty in imperfection and the importance of embracing our differences. They are shaped under very specific circumstances, just like we are all shaped by our culture and experiences. This shows us how we are special and irreplaceable.

Affirmation of the Day: I choose thoughts that serve me well.

Thank you for listening and have a Whimsical Wednesday☺
