

June 16, 2023

Good morning! It's Rainie from 731 and I'm here this SEAL Summary Friday on behalf of the S.E.A.L Team.

As we find ourselves in the middle of June, it's a perfect time to pause, reflect, and recharge. For the second half of the month, let's continue to strive for excellence and make the most of every opportunity that comes our way.

Winston Churchill once said, "Success is not final, failure is not fatal: It is the courage to continue that counts." These words carry a powerful message for each of us. Let's remember that we have the ability to shape our own futures. Let's approach each day with purpose, resilience, and a determination to make the most of our time together.

In these final weeks of the school year, let's continue to support one another, celebrate our accomplishments, and set new goals. Whether it's completing a project, preparing for exams, or participating in extracurricular activities, let's seize every opportunity for learning, personal growth, and making lasting memories.

Thanks for listening and have a Finishing Strong Friday 😊
